

Week 8: July 22 - July 26

Nursery Rhymes/Fairy Tales

Our youngest students will go on an adventure into "Once upon a time." The children's imaginations will be sparked as they do crafts, play games, sing songs, do finger play, and even act out some of our fondest nursery rhymes and fairy tales.

Let's Celebrate (Primary - 2nd grade)

People and cultures all over the world share holidays and celebrations all year round. This week the students will experience fun and interesting ways that some holidays are celebrated.

Week 9: July 29 - August 2

Nursery Rhymes/Fairy Tales

Our youngest students will go on an adventure into "Once upon a time." The children's imaginations will be sparked as they do crafts, play games, sing songs, do finger play, and even act out some of our fondest nursery rhymes and fairy tales.

Gold, Silver & Bronze (Primary - 2nd grade)

This unit will be a fun way to relive the Olympic games. From the opening ceremonies to the closing celebrations, the students will experience the excitement of being an Olympian for a week.

Week 1: June 3 - 7

Dr Seuss is on the loose! (Toddler & Transitional)

During this author study, the students will enjoy the imaginative, fun and compassionate stories of Dr. Seuss and discover the moral that often develops so naturally from the plot. This author's style will also be examined as the students share activities that focus on the free-style, clear, simple and colorful drawings and the clever humor.

Bouncing, Rolling, Tossing, Hitting Balls (Primary-2nd grade)

(Volley balls, bowling balls, tennis balls, etc) - This week the students will have fun with all kinds of balls. There are so many games that we play using balls and the students will certainly enjoy playing some of them. Numerous ball crafts will also be a fun addition to this unit.

Week 2: June 10 - 14

Dr. Seuss is on the loose! (All Levels)

During this author study, the students will enjoy the imaginative, fun and compassionate stories of Dr. Seuss and discover the moral that often develops so naturally from the plot. This author's style will also be examined as the students share activities that focus on the free-style, clear, simple and colorful drawings and the clever humor.

Throughout the 9 weeks of the Summer Program, students will be given the opportunity to participate in a variety of activities, including Arts & Craft Projects, Drama, PE, Music, Spanish and Splash Days! Additional Field Trips for K2 students will be offered.

Week 3: June 17 - 21

Zoo-ology (All levels)

The students will learn all about zoo animals and will imitate the animals, examine their habitats, play animal games and create animals using various types of creative media. A TRIP TO THE ZOO SEEMS A MUST FOR THIS ONE! -- for K-2 students.

Week 4: June 24 - 28

Zoo-ology (Toddler & Transitional students)

The students will learn all about zoo animals and will imitate the animals, examine their habitats, play animal games and create animals using various types of creative media.

Ahoy Matey! (Primary-2nd grade)

With eye patches and parrots, the students will have a fun filled week of pirate activities. Pirate ships, hats, masks, telescopes and treasure maps are just some of the exciting activities planned for this unit.

Week 5: July 1 - 5 (Closed Thursday 7/4)

Kids in the Kitchen (Primary-2nd grade)

Back by popular demand!

Young chefs will mix and stir their way to heaping helpings of learning skills and reading fun. Following step-by-step directions, they will explore the food groups as they prepare healthy foods/snacks related to popular themes and literature.

Chef Academy Field Trip: Wed July 3, Cost \$15.00

Week 5: July 1 - 5 *continued*

Flower Power (Toddler & Transitional students)

Roses, tulips, bluebonnets, daisies, and more. During this week, the younger students will learn about beautiful flowers. They will get a little dirty and learn how to plant and care for them. The lifecycle, parts of a flower, and identification of various types will be explored through crafts, games and books.

Kids in the Kitchen (Transitional)

Back by popular demand!

Young chefs will mix and stir their way to heaping helpings of learning skills and reading fun. Following step-by-step directions, they will explore the food groups as they prepare healthy foods/snacks related to popular themes and literature.

Week 6: July 8 - 12

Are we there yet? (All Levels)

The students will explore multiple methods of transportation by air, land and sea through literature, arts and crafts projects, songs, poetry and movement activities. Some map skills will also be introduced with K-2 students.

Week 7: July 15 - 19

Are we there yet? (Toddler & Transitional)

The students will explore multiple methods of transportation by air, land and sea through literature, arts and crafts projects, songs, poetry and movement activities. Some map skills will also be introduced with K-2 students.

Friendship and Peace (Primary-2nd grade)

The underlying message for this week is "Peace Begins With You" as the students examine symbols of peace. They will explore conflict resolutions, as well as learning to make good choices. Friendship is a natural addition to this unit, as the students learn friendship songs and poetry and other fun sharing and caring activities.
