

Ladies Rule at Camp!!

It is so much fun to see familiar smiles and happy faces along with new friends each morning. Camp has gotten off to a great start! Ladybugs have ruled the first week of camp! Each day has been a different learning experience for our campers. They have been taught about the life cycle of a ladybug and even watched and observed her (their) behavior by having terrariums in their classrooms. Music class even provided a ladybug learning experience when Ms. Sheila shared a Chinese Nursery Rhyme entitled "Ladybug". Evidence of the various crafts that were created can be seen throughout the building. Pictured above are pals Meredith & Mia as they proudly displayed some of their hard work. Friday morning, hundreds of ladybugs were released and some campers were a little sad to see them go. Overall, it was a fantastic first week and we look forward to 8 more!

CALENDAR

Monday 6/15	Tuesday 6/16	Wednesday 6/17	Thursday 6/18	Friday 6/19
Tree Home explorations with Mrs. McCall	Stretch N' Grow	Spanish (Transitional & Primary campers)	Stretch N' Grow	Music with Ms. Sheila

Ladybug release Friday morning
Ladybug, Ladybug Fly Away Home

Reminders:

- ◆ Camp tuition is due on Monday of each week.
- ◆ Camp shirts are available for purchase. If you did not order one for your child and would like one, please see Julie at the front desk. They are \$10 each.
- ◆ A supply list was provided prior to the start of camp. Please ensure your child has everything he/she needs for camp, especially a change of clothes. If you need another copy of the list, see Julie or the Parent Handbook available at www.cdsa.org.
- ◆ Although it is summer, our day begins at 8:00 am. Since many of our activities take place in the morning, we ask that you try and have your child here on time.
