Dear Tina and Young People:

Thank you so much for sponsoring a Food Drive to benefit Mission Arlington/Mission Metroplex. Thanksgiving is one of those special times when I can tell you again how very thankful I am for you. Your provision to take care of the people is so critical. You are helping us help thousands of others!

When a family is having a hard time making rent or paying bills or dealing with the kinds of crises that happen to all of us, sometimes they become discouraged and don't know where to turn. When the Mission first started, we knew of desperate people searching for food in dumpsters. You have given so that HOPE can be restored. You see a need and you provide.

I constantly thank God for hearts like yours that know God's blessings. Thank you for being such a major part of the help we try to give people here at the Mission.

God bless you,

Tillie Burgin
