Annual Fund FAQ's

Q: What is the Annual Fund?

A: The Annual Fund is a tax-deductible opportunity for parents, grandparents, alumni, faculty, and friends of CDSA to provide further support to programs that are essential to the CDSA experience. Revenues generated from tuition stretch only so far. Annual Fund gifts make up the difference between what tuition covers and the actual cost of running the school. These unrestricted gifts cover current year operating expenses and are not spent on items outside the operating budget.

Q: Let's go right to the bottom line. My family is already paying tuition, and plenty of it. How does my child benefit when we donate money as well?

A: The bottom line is this: your gift supports the people and the programs that make CDSA so special. This means credentialed/certified teachers, small classes, reading and math resources that many public schools simply cannot afford, and exceptional offerings in everything from the arts to athletics. While your child is at CDSA, all this translates to more personal attention, increased intellectual stimulation, better discipline, and more rigor. In the future, it will mean greater credibility behind the academic credentials your child possesses throughout life.

Gifts are necessary because tuition gives your child access to more than tuition pays for. That's why CDSA needs to build its endowment and raise funds through the Annual Fund, the "Hats Off to CDSA" Fundraiser, and other fund raising efforts at the school.

Q: Why is my participation important?

A: CDSA needs every member of the community to make the school a charitable- giving priority by making a gift to the Annual Fund. When we approach foundations and corporations for grants, they strongly consider the percentage of giving to the Annual Fund. It is viewed as an indicator of the support for the school and its mission. For these reasons CDSA needs and appreciates gifts of every size.

Q: How much difference can my gift make, really?

A: CDSA, as a Preschool community, has fewer numbers of supporters than larger independent schools or universities. Because the pool of donors is smaller in size, every gift counts more. This reasoning leads many families to make CDSA their philanthropic priority. They know their gift truly matters.
