Let your child be a special Stretch-n-Grow Star. Each week our Stars explore fitness and fun through our "EXER-citing" adventures. Your little one will enjoy the fun each week of learning the importance of making healthy nutritional choices, all while participating in exciting physical activity. Classes will be held at Country Day School on Wednesdays at 3 p.m. throughout the upcoming school year.

We would be honored to have your child enroll with us for the fall semester. Simply fill out the **enrollment form below** and leave it with the front office, and your child will be on the road to a healthy lifestyle.
