

## Uniforms

Students in the Primary – 1<sup>st</sup> grade classes are required to wear the school uniform Monday through Thursday; Friday is a free dress day. Students in the Toddler and Transitional classes are not required to wear uniforms.

Our uniform supplier is online retailer, Land's End. Follow these easy steps to view uniform options for our school:

- Go to [landsend.com/school](http://landsend.com/school)
- Click on "Find your school's dress code" to look up CDSA and enter our online store.
- Our preferred school number is 900067786

We also have gently used uniforms available for resale.

Uniform requirements will be enforced and we ask that you kindly abide by the options we are providing. You are not required to purchase uniforms through Land's End, but students are required to be in proper uniform each school day.
